

Advances in Nanomedicine

Speakers

Prof. Dr. med. Michael Heuser
**Hämatologie, Hämostaseologie,
Onkologie und Stammzelltrans-
plantation, Med. Hochschule,
Hannover**

Dr. Hasan Issa
**Leukemia-Research Group,
Pediatric Hematology and
Oncology, University
Hospital, Halle/Saale**

Dr. Robert K. Gieseler
**CSO Rodos Biotarget GmbH,
Hannover**

Dr. Euan Ramsay
**CCO & Co-Founder of
Precision NanoSystems,
Vancouver**

Topics:

Treating Leukemia by
siRNA/LNP Formulations

Delivery of Oligonucleotides-
Therapeutics in Acute Myeloid
Leukemia (AML)

Targeting Antigen-Presenting
Cells: Towards Controlling the
Directors of Antigen-specific
Immunity

Target-specific Delivery of
Nanoparticle-based (RNA)-
Therapeutics in Cancer and
Infectious Diseases

VENUE

Innovations-und Gründerzentrum Biotechnologie IZB
Gebäude West II, 3. Stock Am Klopferspitz 19a
82152 Martinsried, Munich

WHEN

13:00 - 15:00
June 19, 2019

RSVP at precisionnanosystems.com/Munich-RSVP
