

We hereby cordially invite you to the career orientation event

▪ **Biotech Career Day 2023 – Job opportunities in Munich**

Date: **October 12th, 2023, from 9:00–16:00**

Venue: on-site: **Biomedical Center Munich (BMC) LMU**
Großhaderner Str. 9, 82152 Martinsried

- ⇒ **Exhibition and networking: auditorium**
- ⇒ **Company presentations: Small Lecture Hall N02.040**

Invited participants:

Advanced students and (post)graduates, doctoral and postdoctoral researchers, clinical scientists

Initiated by Bio^M and the local Life Science Network graduate programs (LMU, TUM, Helmholtz Munich, Max-Planck-Institutes and more), the event has already successfully taken place in 2022 with **over 200 also international young scientists** participating.

The aim of the event is to bring together local biotechnology and pharmaceutical companies with young students and scientists in the Greater Munich area. The focus of the event is on information and interaction.

- ⇒ Young scientists gain an overview and insight into
 - * the companies' focus, portfolio and technologies
 - * areas of work
 - * career opportunities
 - * current and future job openings .

- ⇒ Participating companies
 - * present their company in a 10-minute pitch
small lecture hall, companies will present in English.

 - * introduce job profiles to attract potential employees
 - * point out current or future job openings
during networking in the exhibition in the auditorium of the BMC
