

## „Hey Chat, what’s next in Biotech and Medicine?“

10 February 2026, 14:00 – 20:00

Max Planck Institute of Biochemistry, Großer Hörsaal, Am Klopferspitz 18, 82152 Martinsried

13:45 | **Doors Open: Registration and informal networking**

14:15 – 14:30 | **Welcome & Introduction (incl. lottery for 1 BayOConnect ticket)**

Welcome Notes by Bio<sup>M</sup> and Prof. Dr. Karsten Borgwardt, Director, Max Planck Institute of Biochemistry & Introduction Bio<sup>M</sup> & AI4Biotech

14:30 – 15:00 | **Keynote – AI for Future Healthcare**

Prof. Dr. Björn Eskofier, Head of Institute for AI in Medicine, Ludwig-Maximilians-Universität München & PI for Translational Digital Health Group, Helmholtz Munich

15:00 – 15:15 | **AI-enabled, physics-based digital twins of the (human) respiratory system**

Dr. Kei Müller, CEO & Co-Founder, Ebenbuild GmbH

15:15 – 15:30 | **A New Route to the CNS: How Noselab combines Biology and AI**

Dr. Mareike Albert, Founder & CSO, Noselab GmbH

15:30 – 16:00 | **Discussion & Q&A – Part 1**

Open discussion with all speakers of Part 1 and audience Q&A.

16:00 – 16:30 | **Coffee and Networking Break**

16:30 – 17:00 | **Keynote – The Deep Learning Revolution in de novo Protein Design**

Prof. Dr. Lukas Milles, Professor and Group Leader at Gene Center, Ludwig-Maximilians-Universität München & Max Planck Institute of Biochemistry

17:00 – 17:15 | **Proteins - from *in silico* to *in vitro***

Dr. Matthias Steiger, Head of Translational Partnerships, Invitris GmbH

17:15 – 17:30 | **AI-First Drug Development in Oncology: Turning Biology into Decisions**

Dr. Adrian Schomburg, CEO & Founder, Eisbach Bio GmbH

17:30 – 18:00 | **Discussion & Q&A – Part 2**

Open discussion with all speakers of Part 2 and audience Q&A.

18:00 – 18:45 | **Panel Discussion – „Hey Chat, what’s next in Biotech and Medicine?“**

Impulses: “Hey Chat, Meet your Brain”, Adrian Passow, Omegamatrix GmbH & “The lethal trifecta of AI Security”, Bernhard Bock, Quesive GmbH

Panel: Prof. Dr. Lukas Milles, Dr. Kei Müller, Dr. Tim-Henrik Bruun (DigiMed Bayern)

18:45 – 20:00 | **Networking with Fingerfood & Drinks**

Continue the conversation, exchange ideas, and build new collaborations within the AI4Biotech community.
